

GET YOUR BUSINESS RUGBY READY

It's our aim at Spark Sport to make it easy for your business to show live and on demand sports content, so we wanted to let you know, there are options for you to show Rugby World Cup 2019™ at your business.

1. Get a Spark Sport Tournament Pass to watch online

If you choose this option all you need to do is firstly, buy your Rugby World Cup 2019 Tournament Pass (currently only \$79.99) then, get your business ready to watch online. The best option for your business depends on your current AV set-up. We recommend you speak to an AV professional about what set-up is right for you. To help get you started, we've put together a [set-up checklist](#) to provide you with more information about streaming Spark Sport at your business.

[Get your Tournament Pass](#)

What you get with your Tournament Pass

- All 48 matches live
- Full match replays on demand
- Highlights, plus pre-match, half-time and post-match coverage
- Interviews with former players and coaches
- Historic Rugby World Cup™ match content

For more information on what you'll get with your Tournament Pass visit our [help site](#).

2. Use SKY Decoder

SKY commercial customers now have the option to access a Spark Sport Rugby World Cup 2019 pop-up channel through SKY - this includes all 48 matches live. Commercial customers can access this pop-up channel for a one-off cost.

For more information contact [SKY Business on 0800 759 333](#) - standard business hours.

To watch more action online, get a Spark Sport subscription now

Keep in mind, Spark Sport has a range of exciting sports action such as the Premier League and Formula One® so it could be worth getting yourself set up to stream for these as well.
